Fees and Charges

Camden Haven Community College makes prospective students and clients aware of the College's fees, charges and refund arrangements before accepting enrolment. The [Fees and Refund Policy](#) can be sourced from the College's website or a copy obtained from Reception.

Details of fees are supplied in our brochures, on our website or by contacting our office. All texts, resources and materials are included in the cost of the course unless otherwise stated in the College's advertising material.

The College determines course fees for its fee-for-service training provision.

For government subsidised programs, the program contract may stipulate the fees that a student is to pay. Students enrolling with Smart and Skilled subsidies must pay the relevant fee as set out in the NSW Skills list. The College will calculate the relevant fee using the Smart and Skilled Provider Calculator, the student's eligibility criteria and any applicable Recognition of Prior Learning and Credit Transfer arrangements. These courses are often fee free.

Training Packages are sets of nationally endorsed standards and qualifications for recognising and assessing people's skills. They specify the combination of competency standards required to achieve a particular qualification. When a student is assessed as competent in the remaining requirements, they attain the full qualification.

Please Note: To enable us to issue a Certificate or Statement of Attainment students are required to provide some form of photographic identification (driver's licence/passport etc.) with their full legal name on it. You may also be required to provide additional documentation if the training is supported or subsidised by the government or other body.
